# GENERAL COLLECTIONS

- Lot 1** **1946 Victory Omnibus** - This is an improvised album with an almost complete 1946 Victory collection for the British Commonwealth issuing countries and territories in both mounted mint and very fine used condition. The used stamps for the most part really are choice copies. There are 156 stamps included and missing issues appear to be just Bechuanaland and used Bahawalpur. **£90**
- Lot 2** **Ascension** - The 1924 - 33 'Badge' set is well known to collectors and is one of the classic designs of the British Commonwealth having been used by both Ascension and the island of St. Helena. This is a page of 11 mint values, representing a complete set save for the 5d value all overprinted 'SPECIMEN' and not often seen as such. The ½d and 3/- values are overprinted in red, the other nine in black. The album page the stamps are mounted on has been annotated below the 1/- value as 'hole under ship'. Initially we thought this may refer to damage to the stamp, but closer inspection reveals that there is a small white mark in the hull below the central mainmast that might better be described as a 'cannon firing flaw'. This is an interesting variety and is clearly different from the other 10 stamps. The complete set catalogues at £1,000 and for a 'Specimen' set the 5d would represent one twelfth of that, so we would rate what we have here as cataloguing £916. Anecdotally we are advised that the provenance of this page is good being ex 'Sir Gawaine Bailey' sale in 2005. SCARCE MATERIAL. **£575**
- Lot 3** **Ascension** - The 1924 issue depicting the badge of the colony has a couple of constant varieties, one of these being the 'Cleft Rock' whereby the upper part of the rock nearest to the ship is split in stamp 1 of row five of all values. This is a single album page with two marginal bottom right hand corner mint plate blocks of four. These are for the ½d and 1d values SG10 and 11. Although lightly mounted mint, both of the varieties are actually unmounted mint. Both blocks in very nice condition and being positional pieces including the recognised and listed varieties are premium items. These catalogue £277.50 as mounted, but GV period unmounted mint (which four of the stamps are - the lower pair in each block) command significant premiums, more so with the variety. **£170**
- Lot 4** **Australia International Post** - For some years now, Australia Post have produced special stamps for use on international mail going to destinations outside of Australia only. Because international mail is more expensive than internal, the face values of these International Post stamps are quite high many of them being denominated in \$s rather than cents. This is a collection of 100 different fine used International Post stamps. The majority of the stamps are fine used cancelled to order. These stamps run into more recent periods and will form a very good basis for a collection of these issues alone, or for filling gaps in a used Australian collection. Nice clean lot. **£60**
- Lot 5** **Australia Official Issues** - The early official stamps of Australia were perforated 'OS' and from 1931 they were overprinted 'OS' instead and this is a small selection of 18 of the later overprinted issues on two album pages. Starts with the 1932/3 series and all stamps are either fine lightly mounted mint or fine used. A nice range, which catalogue in excess of £285. Good clean material and not often seen in this quality. **£100**
- Lot 6** **Australia** - Selection from 1924-2005 housed on five Hagner sheets with the earlier stamps fine mounted mint and the later 1971 onwards fine unmounted mint, with a useful selection of booklets spanning 1980s, 1990s and 2000s. There is 1996 Fauna to \$5, 2001 Booklet, 2004 Coast line set, 2004 Cats and Dogs with three booklets and 2005 Queen's Birthday sheetlet of 10 etc. This is a fine lot with an original retail price of £466 **£120**
- Lot 7** **Belgium** - A fine mint selection housed on 5 Hagner sheets ranging from 1893 to 2003 but mainly 1990s onwards. Stamps pre 1981 are fine mounted mint and stamps after this period to 2003 are fresh unmounted mint. We note a good 1920s and 1930s section including 1930 Congress of Labour, 1938 Anti-Tuberculosis then a good solid section of numerous sets with some thematic content plus miniature sheets. These stamps were previously offered individually at £580. **£125**
- Lot 8** **Bermuda** - Wonderful variety being the 1978-83 5c 'Eastern Bluebird' definitive stamp. We offer an unmounted mint gutter block of four stamps including the printing cylinder numbers and the Harrison and Sons imprint. This block is **WATERMARK INVERTED**, SG389w x 8 examples, catalogue value is £600+ as basic stamps. Perfect unmounted mint this is a pristine and striking piece. Lovely item for writing up and we provide this with a normal upright watermark example of the stamp, which also has partial marginal printers imprint. **£180**
- Lot 9** **Brazil** - A modern unmounted mint selection of spanning 1969-2006 but mainly 1970-2000 with many sets and miniature sheets all housed on 3 Hagner sheets. With some better including 1969 Carnival set, 1972 Armed Forces and 1991 Tourism etc. There are 114 stamps and 16 miniature sheets. Originally priced to sell at £389 **£90**
- Lot 10** **Fiji** - A good George VI period lot on 5 album leaves. A fairly comprehensive offer of the George VI definitive series replete with many shades, dies and perforation varieties. Most of the good stamps are here, all identified and annotated together with catalogue values in pencil. Additionally there is a page of four stamps from the Postage Due set. All the stamps are mint and we note that two stamps, the 1940 1½d carmine Die II and one of the 6d values are marginal copies bearing the sheet number 1! It is interesting to note the extra digit in the sheet number for the lower face value stamp indicative of the differing size of print runs requested for these two values. Obviously these two stamps are 100% unique with these sheet markings as only one sheet can ever be numbered as 1. Lovely lot with catalogue values approach £530 in total. **£190**
- Lot 11** **Fiji** - An unmounted mint selection spanning from 1954-2006 with the strength being mainly 1980s and 1990s all housed on 5 Hagner. Just to mention a few there is 1954 1/6, then 1984 Ausipex \$1 watermark Crown to Right in gutter block of six, 1986 Reptiles in gutter pairs, 1991 Rotuma Islands, 1992 Europa, 1992 Inter Island Shipping, 1993 Tropical Fruit, 2005 Europa and 2006 Queen Elizabeth II 80th Birthday etc. We counted 8 miniature sheets, 209 stamps. These had been priced to sell at £411, **£115**
- Lot 12** **German PO in Turkish Empire** - An impressive collection on two Hagner pages comprising a valuable range of issues between 1884 and 1908. Present are the 1884 set of five both mint and fine used (the top two values expertised Kohler), the 1889 2½ pi on 50 pfennig chocolate, the 1900-10 Germania and GPO inscribed Reichpost, the set of 12 complete CDS fine used being SG 17/28 (cat £700), the 1905-12 Wmk lozenges set fine CDS used less 15pi on 3m which is present mint; the 25pi on 5m value is signed Kohler. It concludes with the 1908 set of five values, fine CDS used. These 40 stamps attract a catalogue value of £2550. **£675**
- Lot 13** **German States** - Largely good to fine mint and used selection of German States with Baden and comprehensive Bavaria spanning 1860 to 1920 on 7 Hagner sheets. We note Baden including 1860-62 1k, 6k & 9k P:13½, 1862 6k P:10, 1862 Postage Due set mint etc. Then Bavaria with much useful material here mint and used, we start with 1860-63 values to 12k, 1867-69 values to 7k, 1870-73 to 18k, 1875 1k and 18k, 1876-80 values to 2m, then better 1881-1903 to 2M, 1911-13 values to 5M, mainly all fine cds used, 1914-20 with most values to 20M mint & used, 1912 Railway issues with "Punctured" E to 50pf fine used, 1919-20 most values to 20M fine used, just to mention a few. We count 266 stamps which catalogue in excess of £2,600, with the condition being well above average, including many fine examples. A few minor imperfections which are reflected in the price **£325**
- Lot 14** **Italy** - Clean fine cds used selection on three Hagners ranging from 1863-1952 with some useful noted with 1863-65 values to 2L, 1879-82, 1891-97 values to 45c, 1901 values to 5L. Then further issues of sets and part sets including 1923 Fascist March (SG146-51), 1935 Bellini to 1L25c, 1950 Tobacco Conference 20L and 55L and 1952 1st Civil Law Conference 60L (SG823) amongst others. There are 119 stamps with some duplication in the earlier section with some interesting postmarks. Catalogue value is £760+ **£130**
- Lot 15** **Laos** - Many complete sets including miniature sheets between 1958 and 1999, all laid out in a green stock book. With some better items here, we note 1958 Elephants, 1965 Butterflies, 1984 Polio, 1985 World Cup, 1985 Orchids, 1986 Animals, 1988 Railways 1991 Winter Olympics, 1992 Ships, 1997 Elephants, 1998 Year of the Rabbit, 1999 Wildlife, just to mention a few. We counted 13 miniature sheets and 386 stamps With our previous selling prices totalling £682 **£145**

Overall a seldom seen grouping in need of further research and writing up / display.	£130
Lot 17	<b>Reunion</b> - A bulk offer from the French colony of Reunion in complete sheets of either 25 or 50 stamps as issued, each sheet is folded just once. All these stamps were issued between 1968 and 1974 and all are unmounted mint. The lot comprises 1968 Polar (SG452 sheet of 25): 1972 Red Cross (SG485/6 sheets of 50): 1973 Stamp Day (SG487 sheet of 50) and 1974 Art (SG496/9 in sheets of 25). In all a fine fresh lot that catalogues in excess of £750+.	£125
Lot 18	<b>Rhodesia</b> - Small lot of modestly duplicated King George V Double Head stamps. It comprises stamps with face values of 8d (2 examples), 10d (1 stamp) and 1/- (16 copies). Nice lot with plenty of readable cancels and for the 1/- value particularly a range of shades that are obviously different. The basic catalogue value as cheapest options is £625+ and a nice lot to remount and write up in a collection.	£160
Lot 19	<b>South Australia</b> - A small remaindered lot on half a dozen album pages. There are 38 stamps in total of which 24 are mint / unused. Although this collection has been picked over, interesting bits remain. We note a ½d chocolate stated to be SG182 (not checked) but overprinted 'SPECIMEN' and unlisted as such in the Part 1 catalogue, although the other contemporary values are. Shades of SG192 and two copies of the 4d violet one with a white line across neck probably due to unwanted foreign matter on the printing plate. Long Tom designs well represented with 'Thick Postage' types and a copy of SG293 ½d green mint with a clear 'extra line' horizontally marked with a red arricator. Clean lot with shade and perforation variants.	£100
Lot 20	<b>Tuvalu</b> - Unmounted mint selection of sets and miniature sheets from 1983 to 2005, all presented on six Hagner sheets. Many ordinary sets plus a few of the same sets overprinted "Specimen", with some better sets noted including 1991 Sea Shells, 1991 Christmas, 1992 Olympic Games and then further on 2005 Einstein and Hans Christian Andersen, both in miniature sheets. This is a lovely lot which would fill many gaps in any collection. We counted 2 booklets, 23 miniature sheets and 180 stamps. Our total original prices to sell were £350+.	£90
Lot 21	<b>West Germany</b> - 1985 to 1996 unmounted mint commemorative collection housed in a red A4 stock book including both stamps and with a range of miniature sheets also.. Many colourful thematics are present such as Bugs, Butterflies etc. and it appears fairly complete for the dates covered. Catalogue value in excess of £1,300 and a nice clean lot.	£170
Lot 22	<b>West Germany</b> - Clean collection in blue hinge-less printed Lindner album. 1949-62 are mainly fine cds used and 1963-72 mainly fine u/m sets. Includes many earlier relief fund sets etc. 99% complete for period covered and Cat £2,560+	£275
Lot 23	<b>Western Samoa</b> - Valuable lot of high value arms types of New Zealand in mint condition. All in unmounted mint blocks of four stamps, with the exception of one block that is hinged in the margin leaving the stamps untouched. These are SG numbers 189, 192, 194, 194a, 194b and 194c. As far as condition is concerned all of the blocks have a degree of oxidation with some rust spots beginning to form. These are highly rated stamps individually let alone in blocks. They catalogue £1,135 individually or £4,540+ as blocks, which would command a premium. The most valuable stamp is the £2 bright purple (cat £550) and the £5 indigo blue (cat £225). These are one of the more difficult George VI sets to acquire and usually command a significant portion of catalogue value when purchased. The key £2 stamp is arguably the least affected by any toning and facially these blocks are impressive. Our price fully allows for condition.	£595
Lot 24	<b>World</b> - Mainly modern items but some earlier stamps have been noted! It's a large selection of countries across the globe from A-Z, housed in a brown 16 page (32 sides) stock book. A few used earlier issues from Queen Victoria has been noted, but the majority are modern unmounted mint to approximately year 2000. This lot primarily derives from unsold lots in this catalogue, although not entirely. We note countries such as Ascension Islands, Australia, Cook Islands, Jamaica including some KGVI used, New Zealand Booklets, South Pacific, Tanzania with values to 400/-, Tokelau, Tonga, Turks & Caicos Islands, United Nations, USA, Yemen, Yugoslavia, Zaire and Zambia etc. There are scores of sets plus many miniature sheets with many complete sets. Much thematic content too with Marine Life, Animals, Butterflies, Royalty, Disney and lots more. This lot was originally priced individually to sell at £2,685 (catalogued much higher) and now at a knock down clearance price.	£500
Lot 25	<b>World but mainly European</b> - Selection of modern stamps, starting from 1960 up to circa 2008 all laid out in a 16 page stock book, almost everything is clean unmounted mint with just a handful of very few fine used noted. Berlin, extensive with many sets and miniature sheets from 1984-2007, finishing off with some useful Monaco. <b>This material had been originally priced to sell at £3,619, we offer this at a heavily reduced</b>	£750
